

ENTHUSIASTIC

Prime ourselves with enthusiasm.

What it's about; what it does for us...

...Feeling that something good is going to happen; it energises us to grab the opportunity.

We feel this when...

...we are in a new or challenging situation, we might not be sure what will happen, but we think it is going to be good, and we can't wait to begin.

It makes us...

...go for it, embrace the opportunity and drive forward.
