

# ADMIRING

Boost yourself by admiring others' achievements.

**What it's about; what it does for us...**

...Liking the qualities of others'; it inspires us to want to be like them.

**We feel this when...**

...we see other people's good qualities.

**It makes us...**

...look at and look up to the people we admire, we want to learn from them, try to be like them. It feeds into and is directed by our determination.
